SUMMARY

Second-year computer engineering student with a good grip on data structures and algorithms with 500+ questions solved on coding platforms like [Leetcode](#), [Geek for geeks](#), and more. Skilled in problem-solving and teamwork.

SKILLS

- C++, Data structures , Algorithms , Object-Oriented programming , C , Python , Problem solving
- Database Management System, SQL
- Git
- Cloud Computing ([Google Cloud](#))
- HTML, CSS, JavaScript, Java
- Node JS, Mongo DB, Django, React, Express
- Android development, Cybersecurity

EDUCATION

International Institute of Information Technology Bhubaneswar

Bachelor of Technology (4th semester)
(Computer Engineering)
2022 – 2026 7.98 CGPA

Vidya Bharati Chinmaya Vidyalaya

XII (CBSE) 90%
2019 – 2021

Valley View School

X (CBSE) 91.8%
2006 – 2019

ACHIEVEMENTS

- At Diamond League in [Google Cloud Skills Boost](#) with a total of 72 batches. [Profile link](#)
- Secured 3rd position in CodeThru++ coding contest at IIIT Bhubaneswar organised during devfest.
- Secured 2nd position at Science Olympiad (school level)
- Secured 3rd position at state-level drawing competition and more

PROJECTS

Real time Chat application (android)

- Designed and developed a real-time chat application in Java + Kotlin using Firebase in the backend with multiple user Authentication options.
- Optimized and debugged the app so it could be user-friendly.
- Worked on the application's UI to give a better user experience on devices of all screen sizes.
- Working on creating a web application that can be connected through this app in the future.

Web App for crop selling

- Developed a web application that connects farmers directly with buyers, eliminating intermediaries.
- Farmers can create detailed crop listings, including crop type, quantity, quality, and location.
- Buyers can place orders, view order history, and receive notifications.
- Implemented user authentication system so users can sign-in
- Ensured data encryption, input validation, and authentication to prevent unauthorized access.
- Working on implementing payment gateway and its android application for future

EXTRA CURRICULAR ACTIVITIES

- Chess
- Painting
- Badminton
- Carrom

LANGUAGES

- English
- Hindi : Native
